☒ Examiner's Statement of Reasons for Allowance

THOMAS G. BLACK  
SUPERVISORY PATENT EXAMINER  
GROUP 2700

1. The following is an Examiner's Statement of Reasons for Allowance:

The prior art does not teach or fairly suggest a method and apparatus for on-the-fly deletion of records in linked lists based on automatic expiration of data as claimed. In other words, the prior art of record does not teach or fairly suggest the means (or an equivalent step in the method claim) of "means for ..accessing a linked list, at the same time, removing ....some of the expired ones of the records in the linked list," as recited in lines 7-8 of claim 1. Although the prior art of record (Nemes, '495 reference) teaches the use of chains of records and the deletion of records, the Applicant, in the Response dated August 11, 1998, Paper No. 5, provided arguments as to why the chain of records as taught in the '495 reference is not the same as the linked list as claimed. The Applicant also distinguishes the claimed invention over the teachings of the '499 references, see page 3, Paper no. 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hosain Alam whose telephone number is (703) 308-6662.
